INDIANA UTILITY REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On January 30, 2003, Petitioner Utility Center, Inc. filed with the Commission its "Motion for 7-Day Enlargement of Time to File Case-In-Chief," which appears in the following words and figures, to-wit:

[H.I.]

In its Motion, Utility Center requests an enlargement of time, until February 7, 2003 in which to prefile its case-in-chief, and states that the OUCC has no objection.

The presiding officers, being duly advised in the premise, now determine that Petitioner's Motion should be granted. Accordingly, the evidence filed by Petitioner on February 7, 2003 is deemed timely filed.

On March 4, 2003, the Allen County Regional Water and Sewer District filed with the Commission its "Petition to Intervene," which appears in the following words and figures, to-wit:

[H.I.]

In its Petition to Intervene, ACRWSD states that a portion of the area for which Utility Center seeks a CTA is presently served with sewers by ACRWSD. Wherefore, ACRWSD requests permission to intervene in this action.

Upon reviewing the Petition to Intervene, the presiding officers find that it should be granted.

IT IS SO ORDERED.

David E. Ziegner, Commissioner

Gregory S. Colton, Administrative Law Judge

Dated March 28, 2003
